**CONDITIONS**

1. Membership of United Credit Union must be maintained by the continued operation of a Call Account which is regularly funded. If you cease to be a member before this term deposit matures, it will be terminated and normal Call Account rates will apply.
2. The term of this investment will be either three months, six months or twelve months. If the investment is broken, the funds will be returned to your Call Account and interest applied on the basis of existing Call rates.
3. All interest will be credited to your Call Account upon maturity.
4. Depositors will be notified prior to maturity and given the option to reinvest. If no instructions are received the investment, including interest, will be credited to your Call Account. If you wish to make arrangement for your deposit to automatically roll over on maturity please attach a signed written request authorising such. In this case the funds will be reinvested for the same term at the current rates applicable.
